Routine

An aerial photograph of a large green field where a massive group of students has formed the shape of the Bangladesh national flag. The flag's green field is composed of many small groups of students, while the red vertical stripe is a solid red area. The students are dressed in various colors, creating a vibrant mosaic. In the background, there are trees, a building with red stairs, and a goalpost. In the foreground, a metal railing is visible.

Student Guide

After Selecting Student , At first you have to register yourself with your Varsity email

Register Now

DIU Mail

PassWord

☐ **Day**

☐ **Evening**

Register

Then You have to select a Semester

SEMESTER

1st Semester

2nd Semester

3rd Semester

4th Semester

5th Semester

6th Semester

7th Semester

8th Semester

9th Semester

10th Semester

11th Semester

12th Semester

After that courses of your selected semester will appear in front of you and you have to choose one

C O U R S E S

CSE112
Computer
Fundamentals

MAT111
Mathematics-I:
Differential and
Integral Calculus

ENG113
Basic Functional
English and English
Spoken

PHY113
Physics-I: Mechanics, Heat
& Thermodynamics ,
Waves & Oscillation,
Optics

In the topic window you will find the topics and the videos by scrolling . You can collect questions and necessary slides from the Google drive . You will also be provided with a teacher recommendation [Optional].
